WHAT IS THE CORTEX?

IN THE BRAIN, THE CORTEX IS WHERE KNOWLEDGE IS STORED, CONNECTED AND REUSED. IN AOTN, THE CORTEX IS OUR COLLECTIVE BRAIN: ONE SHARED TOOLBOX BUILT BY EVERY TEAM, FOR EVERY TEAM.

SINCE THE START OF THE CHALLENGE, EVERY TEAM HAS PICKED UP TOOLS AND WAYS OF WORKING THAT MADE THE JOB EASIER. THE CORTEX ASKS YOU TO PASS ONE OF THEM ON, SO THAT EVERY OTHER TEAM CAN USE IT TOO.

WHAT WE ARE ASKING FOR

NOT YOUR RESEARCH. WE ARE NOT ASKING FOR PAPERS OR STATISTICS ABOUT YOUR OWN PROBLEM OR PROJECT.

YOUR KNOW-HOW. WE ARE ASKING FOR A SHORT DOCUMENT THAT EXPLAINS ONE USEFUL TOOL OR WORK METHODOLOGY YOUR TEAM ACTUALLY USED, WRITTEN SO THAT ANY OTHER TEAM CAN PICK IT UP AND APPLY IT TO THEIR OWN PROJECT.

EXAMPLES OF WHAT FITS:

-A TOOL: A PROTOTYPING OR DESIGN TOOL, A SURVEY OR INTERVIEW TOOL, AN AI ASSISTANT USED IN A SMART WAY, A DATA OR DIAGRAM TOOL
-A METHODOLOGY: HOW YOU RAN YOUR USER INTERVIEWS, HOW YOU SPLIT WORK INSIDE THE TEAM, A BRAINSTORMING OR PRIORITIZATION TECHNIQUE, HOW YOU VALIDATED YOUR PROBLEM
-A FRAMEWORK: A CANVAS, A TEMPLATE OR A CHECKLIST THAT HELPED YOU THINK OR DECIDE

THE TEST IS SIMPLE: IF ANOTHER TEAM READS IT, CAN THEY USE IT TOMORROW?

WHAT TO UPLOAD

-ONE PDF (1 TO 3 PAGES IS ENOUGH), WRITTEN BY YOUR TEAM, COVERING:
  -WHAT IT IS: THE TOOL OR METHOD, IN PLAIN WORDS
  -HOW YOU USED IT: A CONCRETE EXAMPLE FROM YOUR AOTN JOURNEY
  -HOW OTHERS CAN USE IT: STEPS, TIPS, LINKS, AND MISTAKES TO AVOID
-GIVE IT A CLEAR TITLE. IF YOU RELY ON OUTSIDE SOURCES, CITE THEM.

HOW IT IS EVALUATED

THE UPLOAD IS MANDATORY AND GRADED ON QUALITY:

-**USEFULNESS:** HOW MUCH IT CAN HELP OTHER TEAMS
-**REUSABILITY:** GENERAL ENOUGH TO APPLY TO ANY PROJECT, NOT ONLY YOURS
-CLARITY: EASY TO UNDERSTAND AND TO FOLLOW

KEY DATES

-**22 OCTOBER 2026:** THE CORTEX OPENS. UPLOAD FORM SHARED WITH ALL TEAMS.
-**24 OCTOBER 2026, 23:59:** UPLOAD DEADLINE. A MISSING UPLOAD COUNTS AGAINST YOUR SCORE.
-**FROM 25 OCTOBER 2026:** THE CORTEX OPENS TO EVERYONE AS A SHARED BRAIN UNTIL THE END OF THE CHALLENGE.

After the 3 Days
The Cortex does not close. Every document is gathered into one shared library, open to all teams. Use it for Phase 2.2, Phase 3 and beyond. The more teams give, the smarter the Cortex gets.
